

Dear clients, partners,

As you may have read in specialised press, Amorim group has acquired a 50% stake in Vinolok, the manufacturer of the eponymous glass closure.

The aim of this action for both companies is to strengthen and develop their activity and their product portfolios around the world. This cooperation follows up the consistent union between cork and glass that have always been linked in the wine and spirit industry.

As far as the French Market is concerned, no changes in distribution will be applied. The market remains being served by the exclusive distributor of Vinolok, Le Comptoir de la Cave.

Both, Vinolok and Le Comptoir de la Cave would like to share their excitement of having Amorim, such recognised wine and closure professional as a partner.

We are looking forward to working together and participating on the expansion and growth of the amazing closure which is Vinolok.

Should you need any further information, please do not hesitate to contact us.

Sincerely,

Ales URBANEK
Vinolok-Managing Director
